Total multipliers	Mystery Station	ZL
Total of score	Contest Multiplier	
Grand total		

Rules

- 1** - All call signs must be in UPPER CASE
- 2** - You may only work 1 station on the same frequency or repeater each hour
i.e. you may work the same station on Rep 7125, Rep 665 and 3.570MHz in the same hour
- 3** - Scores are calculated by adding the RX points of each contact
- 4** - A random "points RX" will be select as a multiplier at the end of the contest to calculate the final score.
- 5** - If you work the mystery station your RX points for that contact will be doubled
The station will be provided after the contest - fill in the station in the yellow box on the Mystery Station Sheet
- 6** - All spreadsheets and hard copy sheets must be given or sent to ZL2BILL or Warren ZL2JML (wrcrawley@xtra.co.nz)
